RE: 2009 Great Garden Pot Round Up, SATURDAY, JUNE 20, 2009, 9:00 am to noon

To Whom It May Concern:

The Portage County District Recycling Center is proud to announce the 2009 Great Garden Pot Round Up. Last year, due to the tremendous response from Portage County residents, garden businesses, we were able to reuse/recycle 50 cubic yards of plastic nursery pots, seed trays and carrier trays that would have been otherwise landfilled.

The plastic collected at this event was sent to various recyclers to be shredded and recycled. This year's event will be **SATURDAY, JUNE 20, 2009, 9:00 am to NOON** (rain or shine) at the following locations:

- 1. Battaglia's Garden Center – 3049 SR 59, Ravenna**
- 2. The Garden Spot – 7291 SR 14, Ravenna**
- 3. Eagle Creek Garden Center - 18548 Chillicothe Rd., Bainbridge**
- 4. Pizzute's Plant-n-Thyme - 4987 SR 43, Brimfield**
- 5. Randolph Twp. Recycling Drop Off area – 3636 Waterloo Rd., Randolph**

We are asking that the enclosed flyers be posted or be made available to the general public. Should you have any questions please call the Portage County District Recycling Center at 330-678-8808, Monday through Friday 7:30-4:00 pm.

Thank you,
Portage County Solid Waste Management – District Recycling Center
